EXPERT WITNESS WORK

This represents some 90% of the work I undertake.

I have been preparing expert witness reports on loss of earnings for over ten years for local legal practices undertaking claimant work.

Reports vary from small employed cases to large on going loss calculations for self-employed persons.

All reports are personally prepared and presented and I offer a quick turnaround and continued support until the cases are completed.

I have attended Court to give evidence and prepared joint expert agreements and been involved in case settlement negotiations.

OTHER WORK

Private client work involves accounts preparation and taxation services for smaller owner managed business.

I have also undertaken business planning and advisory work and Probate and estate work.

PREVIOUS WORK EXPERIENCE

Audit accountancy and taxation with both Grant Thornton and Kidsons Impey with work ranging from sole traders to public company subsidiaries.

Financial controller for medium size engineering group.

Part time lecturer in accountancy studies at local colleges and Universities.
